

2009 Yearbook Order Form

Preorder your yearbook now and save! The cost now is \$20.00 each. After Friday, December 19th, 2008 the cost will increase to \$25.00 per book.

*This year, for the first time, we will be offering the opportunity personalize your child's name into the cover of his/her yearbook. For a small fee you can permanently and attractively emboss his/her name as an extra touch. It's limited to 29 characters, including spaces, and will appear all in upper case. Simply and neatly print out your child's name as you would like it to appear, check the yes box to emboss and add \$6.00 to your total amount. This is a **time limited offer** as we need to have the personalization in the ordering process by January 16th, 2009. After that time, personalization will no longer be available through the yearbook process.*

Don't wait until the last minute to order your yearbooks. Memories are precious and yearbooks keep those memories fresh.

A Reminder!

We DO need your pictures! We don't have a photography yearbook staff so we rely on your pictures. You may get them developed and send the prints or a CD in with your child, or you may e-mail them to ruskin@cox.net. We are a digitally prepared yearbook so e-mailing your pictures or submitting them on a CD is the preferred method. And the higher the resolution the better. If anyone is interested in acting as photo coordinator for their child's classroom please let me know either by email, phone (858-679-9743), or grab me when you see me!
